Subject: Request for .com.np domain registration

Dear sir / madam

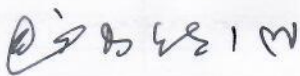

We would like to register the domain named **rootsuppliers.com.np** for our firm **Root Suppliers Pvt. Ltd.** We have already submitted the online domain registration form for verification and also attached the scan copy of company & pan registration each along with this application.

We kindly request you to process and register the available domain name as earliest possible.

Our preferred domain name is: **rootsuppliers.com.np**

Thank You.

Sincerely yours,

.....
